Join the Ohio Municipal Clerks Association for their **One Day Academy**

March 13, 2025 from 9:00AM -4:00AM

Session Topic: Preserving Your Records & Looking Into the Future

Nathan Owens
Ohio Attorney General Office

Nathan Owens is the Director of Records Management at the Ohio Attorney General's Office, the current vice president for the National Association of Government Archives and Records Administrators (NAGARA) as well as serves on the Ohio Electronic Records Committee where he works on the development of standards and guidelines for electronic records for public entities in the state of Ohio.

Learn about efficiently managing your office's records, creating retention schedules, and establishing a defensible records destruction process.

Dr. Vince Granito
Lorain County Community College

Dr. Vince Granito is a psychology professor at Lorain County Community College and serves as a Faculty Fellow in AI through LCCC's Teaching and Learning Center, where he consults with faculty on ways to integrate AI into college classes. Additionally, he is co-chair of the campus-wide AI task force.

Learn about the use of artificial intelligence in local government and common AI tools used for enhancing productivity.

We Can't Wait to See You There!

It is strongly encouraged that participants bring their own device to this session.
